NEW LIGHT SCHOOL

CHRISTIAN RELIGIOUS EDUCATION — STANDARD 4

ADDITIONAL LEARNING NOTES

Four topics with revision questions and a teacher answer guide

TOPIC 1: GOD THE CREATOR

Creation means God's work in making the world and everything in it. The Bible begins by teaching that God created the heavens and the earth (Genesis 1:1). God created light, sky, land, seas, plants, the sun, moon, stars, birds, fish, land animals and human beings.

Caring for creation: People should keep the environment clean, plant trees, protect animals, avoid wasting water and use natural resources wisely (Genesis 2:15).

Questions: 1. What is creation? 2. Name four things God created. 3. Give three ways to care for the environment. 4. Which Bible book tells about creation?

TOPIC 2: THE BIBLE

The Bible is the holy book of Christians. It teaches about God, faith, love, forgiveness and good living. It has two main parts: the Old Testament and the New Testament. A Bible reference gives the book, chapter and verse. For example, Genesis 1:1 means Genesis, chapter 1, verse 1.

Questions: 5. What is the Bible? 6. Name its two main parts. 7. What does a Bible reference show? 8. Give two reasons Christians read the Bible.

TOPIC 3: PRAYER

Prayer is communicating with God. Christians pray to praise God, thank Him, ask for help, confess wrong actions and pray for others. People may pray alone or with others, silently or aloud. Jesus taught His followers how to pray (Matthew 6:9–13).

Questions: 9. What is prayer? 10. Mention four reasons Christians pray. 11. Name two places where Christians may pray. 12. What prayer did Jesus teach?

TOPIC 4: JESUS CHRIST AND HIS TEACHINGS

Christians believe Jesus Christ is the Son of God and the Saviour. Jesus taught people to love God and love their neighbours (Matthew 22:37–39). He also taught kindness, forgiveness, honesty, humility and helping people in need.

Following Jesus: Learners can follow His example by sharing, telling the truth, forgiving others, respecting people and helping those in need.

Questions: 13. Name two things Christians believe about Jesus. 14. What are the two greatest commandments? 15. Give three ways learners can follow Jesus' example.
